* **TEXTURED SURFACE** Uniformly resin-rich surface for pleasing appearance that is scratch and abrasion resistant. Cleans easily.

* **CHEMICAL RESISTANCE** Will not support mold growth. Highly stain resistant. Will not rust, rot or mildew.

* **DURABILITY** Needs no painting. Stands up to abrasion, scratches, vandalism and more.

* **IMPACT RESISTANCE** High Strength to weight ratio with toughness that resists daily use & abuse. Won't scratch or dent like metal.

* **THERMAL STABILITY** No loss of strength over wide temperature range (-65° to +212°F). Unaffected by thermal shock.

* **CLEANABILITY** Easily cleaned with steam, high pressure sprayers or simply washed with regular detergent and water.

GREENchoice™
ADHESIVES

GREENchoice™ Adhesives were designed to achieve maximum performance with minimum impact to the environment. The solvent-free and low VOC formulas provide a safe and healthy living and working environment. Additionally, corrugate cartridges made from post-consumer recycled material help reduce the impact of waste on the environment.

Titebond® GREENchoice™ Fast Grab FRP Adhesive

A high-quality, VOC-compliant, adhesive specifically formulated for the installation of FRP (fiber-reinforced plastic) panels. Its fast grab and bonding power greatly reduce the need for extended bracing. (Coverage - 50 SF. per Gallon)

Item #	Size	Units/Case	List Price
4056	Gallon Plastic Pail	2	\$20.62
4054	4 Gallon Plastic Pail	1	75.84

Titebond® Acoustical Ceiling Tile Adhesive

Titebond Acoustical Ceiling Tile Adhesive is designed for the safe and easy installation of acoustical ceiling tiles. Its fast, strong grab holds materials firmly in place and eliminates sagging. It offers excellent adhesion to common surfaces such as drywall, plaster and paint. (Coverage - 50 - 60 SF. per Gallon)

Item #	Size	Units/Case	List Price
2706	Gallon Plastic Pail	2	\$27.72

Titebond® GREENchoice™ Premium Polyurethane Construction Adhesive

GREENchoice Premium Polyurethane Construction Adhesive is an advanced urethane formula for interior and exterior projects. It is the highest performing product of its kind, offering unmatched strength and durability even when bonding two non-porous materials. It offers a fast set-up time as well as a smooth bead for effortless extrusion - even in near-freezing temperatures.

Item #	Size	Units/Case	List Price
4222	29 oz. Cartridge	12	\$14.69

Titebond® GREENchoice™ Heavy Duty Construction Adhesive

GREENchoice Heavy Duty Construction Adhesive offers superior interior and exterior strength. Its all-purpose versatility is ideal for all common building materials. It provides a strong grab, fills gaps and irregularities and will remain permanently flexible.

Item #	Size	Units/Case	List Price
7472	29 oz. Cartridge	12	\$8.16

Titebond® Projects & Repair Construction Adhesive

A versatile formula designed for general purpose applications of most building materials. It is safe for use on wood, drywall, ceramic, metal, plywood, hardboard and more. It exceeds the performance requirements of the AFG-01 and ASTM C557 specifications.

Item #	Size	Units/Case	List Price
5321	10.5 oz. Cartridge	12	\$4.16

Titebond® All Weather Subfloor Adhesive

Titebond All Weather Subfloor Adhesive is the ideal choice for subfloor installations. It is designed for particleboard, OSB, engineered lumber and wet, frozen and treated lumber. It offers a strong initial tack, provides superior strength and remains permanently flexible.
