Concord Steel Railing

BY **Barrette**
OUTDOOR LIVING[®] 

Concord Railing is a steel railing system with pre-welded panels and posts with pre-attached brackets. Available in matte black, it'll add strength and timelessness to your deck.

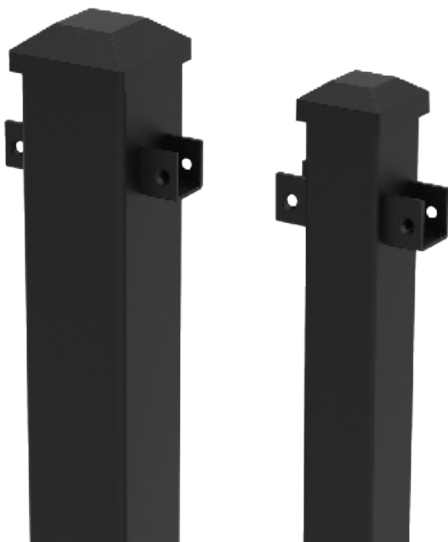

THE CONCORD DIFFERENCE

The Concord deck board brackets allows for the addition of a DuraLife deck board to your top rail. Run your deck board over the top of your posts for a drink top surface for your deck!

Two post sizes to choose from, available bracketed as corner, end, or line posts, or blank for stair and custom application.

CONCORD RAILING FEATURES:

- Limited 15 year residential warranty
- Pre-bracketed posts
- Pre-assembled, factory welded panels
- Powder-coated for maximum durability
- 2" and 3" post options
- Hidden bracket hardware
- Textured finishes
- 6', 8', and 10' level rail panel lengths
- 6' and 8' stair rail panel lengths
- 36" and 42" level rail heights
- 5/8" square balusters
- ADA Hand Rail options available
